The app only lets you navigate in drive mode or when the device is in a parked / stationary position A: You can also use Google's 'Google Maps' app. Google Maps on iOS Only has 'drive' mode, but since it's powered by Google's data, you're probably fine A: You can use the companion application of the TomTom Navigator: TomTom Navigator. It features a paid version as well as a free version. The paid version is offered as a demo before you buy it. It is the most popular TomTom application in the world (it is available on Windows, Mac, Android, iPhone and iPad). You can learn more about it here. Credit: Phil Lester/Getty Images

Former Texas Congressman Beto O'Rourke told a group of Democrats that the party's "failed" past is having a bigger impact on 2020 than he is. O'Rourke isn't the only 2020 Democrat to blame the party's recent failures on its infighting and resistance to the new power structure that has emerged in the Democratic Party during the age of President Trump. The Texas Democrat said at the MSNBC-hosted "Politics and Eggs" event in New Hampshire Friday morning that it's "tragic" to see the Democratic Party's "big tent" shrink to include "less than one-third of the American population." A shrunken tent also means less room to wiggle for the party, he said. "For us to ignore in the way we have in the past and in this campaign and the last campaign, the need to reach out to all of those in this country who support our values, who want to make this country better, we're not going to be able to reach them if we do not widen our tent to include millions upon millions of people," O'Rourke said. He said the party's most recent elections have been a "failure" because the party's "failed to reach to, and to include, all of those voters who support us." "So we have a lot of soul searching to do as we try to figure out how we can help ourselves to come out of this, but part of that soul searching is reminding ourselves that
